Neil Hawkins interesting article debating #sustainability merits of #ev, #hybrid, and gasoline vehicles. Provocative. <http://ow.ly/owIRf>

[Unclean at Any Speed](#)

Last summer, California highway police pulled over pop star Justin Bieber as he sped through Los Angeles in an attempt to shake the paparazzi. He was driving a hybrid electric car—not just any hybrid, mind you, but a chrome-plated Fisker Karma, a...

Sebastien Antoni I really liked this short viewpoint article, there is nothing new in there but it's a nice summary of many important issues in cancer research: over-diagnosis and over-treatment, disease classification, communication with the public and the important role of cancer registries.

Overdiagnosis and overtreatment in cancer: an opportuni...
